

**Dr. Kwon's Golf Mini-Talk Series
Live Zoom Lectures
June 2023**

GOLF BIOMECHANICS
Instructor Training Program

Dates:

Monday-Wednesday for 2 weeks
June 12, 13, 14, 19, 20 & 21, 2023

Time:

9-11 am US CDT (UTC-5)

Lecture Topics:

1. Ground-Up (June 12)
2. Rhythm in Golf Swing (June 13)
3. Kinematic Sequences (June 14)
4. The K·GRAND=IO=SE Swing Principles (June 19)
5. Swing Morphology (June 20)
6. Commonly Observed Motion Pattern Issues (June 21)

Delivery Platform:

Live online Zoom lectures
PDF handouts will be provided beforehand.
Recorded lectures will be posted to YouTube as private videos for later views/reviews. Attendees will have access to the videos for 6 months.

Registration:

Category	Early bird (by May 15)	Late (after May 15)
<i>Level-1 Kwonified</i>	\$100	\$200
<i>Level-2 Kwonified</i>	Free	\$100
<i>Retake</i>	Free	\$100
<i>Regular (none of the above)</i>	\$200	\$300

Brief Lecturer Bio

Young-Hoo Kwon, Ph.D., FISBS
Professor of Kinesiology
Director, Biomechanics Laboratory
School of Health Promotion & Kinesiology
Texas Woman's University, Denton, TX, USA

Instagram: @kwon3d | YouTube: @DrKwonGolf

Education

- PhD in Exercise & Sport Sciences (Biomechanics), The Pennsylvania State University, University Park, PA (1993)
- MEd in Physical Education (Biomechanics), Seoul Nat'l University, Seoul, Korea (1986)
- BS in Astronomy, Seoul Nat'l University, Seoul, Korea (1984)

Employment

- Associate & Full Professor, School of Health Promotion & Kinesiology, Texas Woman's University, Denton, TX (2002-)
- Assistant & Associate Professor, School of Physical Education, Ball State University, Muncie, IN (1997-2002)
- Senior Researcher, Biomechanics Dept., Korea Institute of Sport Science (KISS), Seoul, Korea (1993-1997)

Professional Activities

- Lesson of the Year Award, Golf Digest Japan (April 2019)
- Biomechanical golf swing analysis service for elite golfers (2014-)
- Past President (2019-2020), President (2017-2019), President-Elect (2016-2017), VP of Publications (2002-2007), & Director (2008-2014), International Society of Biomechanics in Sports
- Life Member (2015-) & Fellow (2008), International Society of Biomechanics in Sports
- Editor-in-Chief, Sports Biomechanics (2007-2014)
- Developer, Kwon3D Motion Analysis Suite & Kwon3DGolf, Visol, Inc., Seoul, Korea (1991-)

Please visit <http://drkwongolf.info/drkwon.html> for select golf-related publications and presentations.

Please visit http://drkwongolf.info/swing_anal.html for details on the swing analysis service at TWU.
